*Monumental Royal Vienna porcelain plaque depicting Christopher Columbus*

*Sevres porcelain mounted giltwood pedestal table*

Following two years of negotiations Kodner Galleries, Dania, Fla., recently acquired possibly the largest collection of 19/20th century continental painted porcelain plaques in private hands to be auctioned Dec. 10. The lifetime collection from central Florida includes important examples of KPM, Royal Vienna, Sevres and others. The highlights of the collection are numerous and include: a monumental Royal Vienna charger depicting Christopher Columbus; a monumental circa 1870 KPM painted porcelain plaque, "Saint Jerome in Prayer;" a large 19/20th century KPM plaque of "Hagar and Ishmael banished from the House of Abraham"; a very fine late 19th century German carved and giltwood cabinet mounted with Vienna enamels and Meissen porcelain; numerous plaques signed J. Wagner and a fine French gilt bronze and onyx gueridon mounted with Sevres portrait plaques of Louis XV and the ladies of his court. In excess of 150 plaques and plates will be offered.

The collection also includes many quality examples of 19/20th century continental paintings.
